It can do more than just count

Performs quick Rx validation to make sure the right drug is dispensed to the right patient.

- Built in Barcode Scanner
- DIN Directory Access
- Drug ID with Onscreen Summary
- Inventory Counts
- User Authentication
- Snapshot Transaction History
- Control and Narcotic Double Counts

Thoughtful and easy-to-use.

Large touchscreen display combined with a user-friendly app makes pill counting a breeze. Use it out-of-the-box, with no instructions required. It's easy to configure and adapt to your pharmacies' workflow.
